Robe Filled Temple

A painting of a Seraphim angel, a celestial being with six wings. The angel is depicted in a dynamic, almost dancing pose, with its wings spread wide. The wings are a mix of golden-yellow and reddish-pink, with a bright, glowing light emanating from the center where the wings meet. The angel's body is pale and ethereal. In the background, there are dark, swirling clouds and a bright, glowing orb, possibly a sun or a star, in the lower left corner. The overall mood is dramatic and divine.

## Oracle

So I said:

“Woe *is* me, for I am undone!  
Because I *am* a man of unclean lips,  
And I dwell in the midst of a people  
of unclean lips;  
For my eyes have seen the King,  
The LORD of hosts.”

Then one of the seraphim flew to me, having in his hand a live coal *which* he had taken with the tongs from the altar.

And he touched my mouth *with it*, and said:

“Behold, this has touched your lips; Your iniquity is taken away, And your sin purged.”

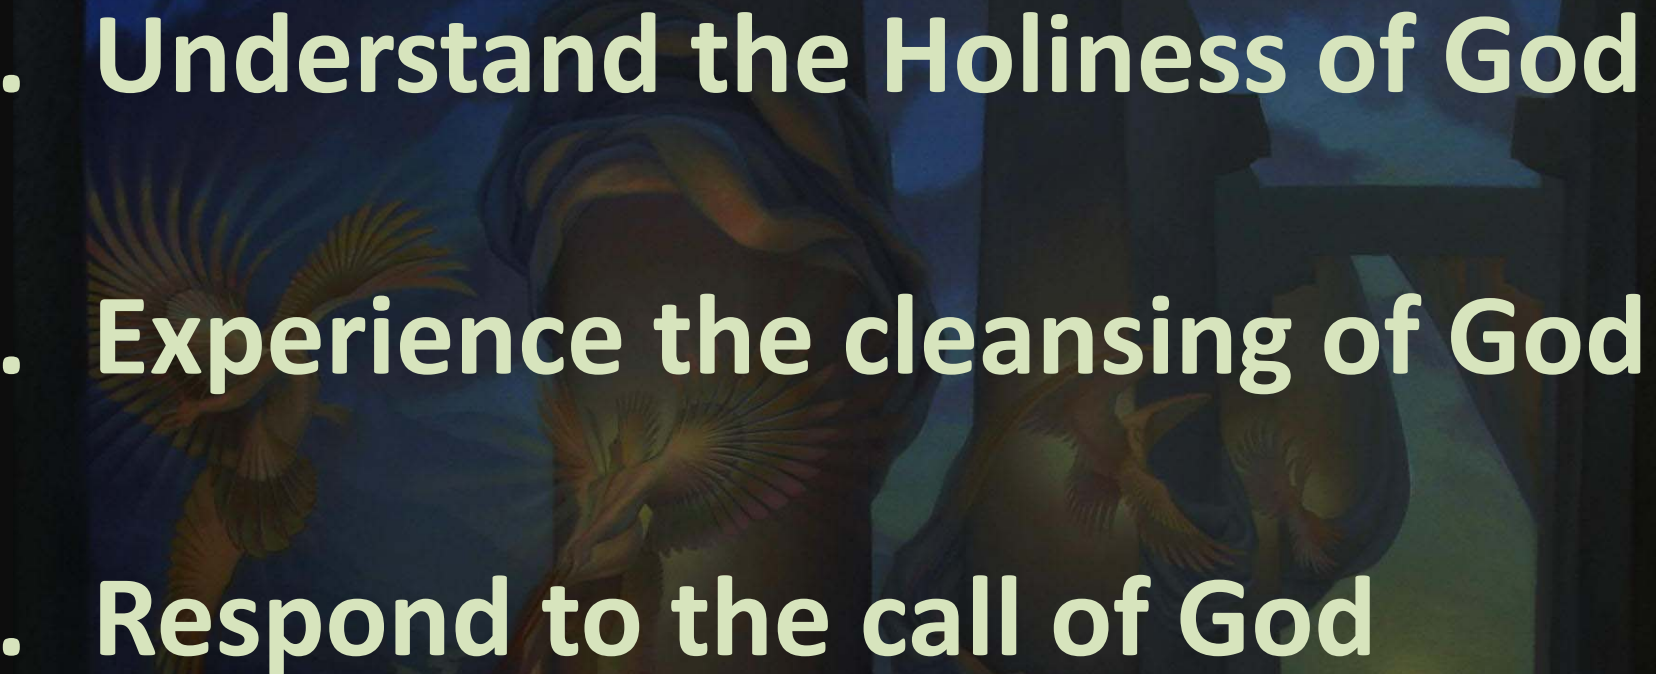

**Also I heard the voice  
of the Lord, saying:**

**“Whom shall I send,  
And who will go for  
Us?”**

Then I said,  
“Here *am* I!  
Send me.”
